

Warranty

Times Microwave Systems (the seller) warrants to the original purchaser its surge and lightning protection products used in commercial communications applications to be free from defects in material or workmanship which arise from proper and normal use and service for the following periods:

LP-BTR series	ten years	LP-WBX Series	ten years
LP-BTR50 series	ten years	LP-GPX Series	ten years
LP-BTRW series	ten years	LP-GTR series	two years
LP-STR series	ten years	LP-18-400 series	two years
LP-STRL series	ten years	LP-GTV series	two years

In the event that the purchaser becomes aware of a defect within this period of time, the seller will, at its options, repair or provide to the purchaser new material in exchange for the defective material. In order to receive any remedy under this warranty, the purchaser must notify Times Microwave Systems of the defect and receive a return authorization.

The entire liability of the seller shall be limited to the repair or provision of new material in exchange for the defective product. Seller shall not be liable for any consequential or incidental damages, cost of removal and re-installation of the product or any other costs incurred by the purchaser as a result of the defect. In no case shall the liability of the seller exceed the sales price of the surge and lightning protection products found to be defective.

Times will also replace any lightning protector free of charge during the warranty period if it is damaged or destroyed in a lightning strike while protecting the RF equipment.

The above constitutes the entire warranty provided by Times Microwave Systems. There are no other warranties provided, expressed or implied.
