EIM SYSTEMS & COMPONENTS (1999)
18 HASIVIM STREET
P.O. BOX B7551
PETACH-TIKVA 4959376

Times Microwave Systems is delighted to announce that **EIM Systems and Components** has been appointed as sole distributor and representative in **Israel** for our comprehensive range of high-performance RF and microwave cables, connectors and assemblies.

EIM Systems technical and manufacturing capabilities will deliver strong, rapid, local support to enable Times Microwave solutions to be delivered to all customers in the region.

EIM regional technical and sales support team will be led by Sales Manager, Rachel Vanunu (rachel@eimsys.co.il).

The Times Microwave Systems team will work closely with EIM to ensure that customer requirements for superior technical and environmental performance are met with a high level of service.

Times Microwave Systems has over 70 years of experience in designing innovative, high-reliability, coaxial cables and assemblies for demanding interconnection problems. An engineering-oriented organization, the company specializes in the design and manufacture of high performance flexible and semi-rigid coaxial cable, connectors, and cable assemblies for RF transmission from HF through microwave frequencies as well as lightning and surge protection products.

Together with EIM Systems we look forward to fully supporting our customers in Israel.
